Lauren has an exciting surprise for her grandparents. She invites them on a trip to visit London! Have you ever taken an exciting trip? Do you have fond memories of your grandparents visiting you? Granddaddy Visits London is the story of two grandparents preparing to embark on a spontaneous trip. Children will enjoy reading about the exciting excursion and the surprise waiting when the grandparents arrive. Young readers will make connections from this story to their own stories of travel and visits from loving grandparents.

Nikki's first book, *Lauren's Awesome Adventures* has been shared with hundreds of children anxious to experience their own adventures. She returns with her highly anticipated second book *Granddaddy Visits London*. Nikki believes children's books are an irreplaceable gateway to developing a love for learning. *Granddaddy Visits London* is the perfect book for a grandparent and a child to read together.

Nikki Rakestraw Porter is a career educator and celebrated children's book author. Nikki is a proud graduate of Tuskegee University and Central Michigan University. Her passion for education and ending illiteracy prompted her to begin writing children's books. Nikki believes in the power of books to expand horizons. She writes with the hope that her books contribute to developing a lifelong love of reading in children. Her interests include reading, traveling, volunteering, and spending time with family and friends. Nikki resides in Georgia with her husband Christopher, and daughters Lauren and London. Her favorite pastime is reading to her daughters.
